

MILL OWNER AT PIONEER DIES SUDDENLY

Wilson Hutchens Found Dead in his Bed, Friday Morning. Apoplexy Supposed to Have Caused Death.

Wilson Hutchens, one of the owners of the Pioneer mill, was found dead in his bed Friday morning, when his sister went to his bed room to call him to breakfast. It is supposed that his death was caused by apoplexy.

Mr. Hutchens, who was past sixty years old, had been in failing health for the past year but had been able to be around the place. On the day before his death he did not seem to be any worse than usual. The family had been warned by physicians, however, that he was liable to go suddenly. Mr. Hutchens was a bachelor and made his home with his brother, Isaac Hutchens and his sister, Miss Effie Hutchens in the residence to the left of the big spring in Pioneer. He had lived in Pioneer 27 years and was an excellent citizen. He was an uncle of Mrs. E. E. Meador, of Monett.

OLD SETTLERS MOVING TO IDAHO SOON

Mr. and Mrs. H. C. Traugbher have sold their home on West Wishart street to R. H. Dowling, of Seattle, Wash., and expect to leave next week for Idaho Falls, Idaho, to make their home. They went west some time ago to visit their son, R. D. Traugbher, at Swan Valley, Idaho, and were so well pleased with the country that they decided to move there.

Mr. and Mrs. Traugbher came here from Fredonia, Kan., thirty-one years ago. Mr. Traugbher, who was a brick layer, helped build the first brick building in Monett, the Pat Martin building, now occupied by Perry & Co's. clothing store. He also helped build the first schoolhouse which was located on the property on Sixth street, where I. L. Mace now lives.

Mr. Traugbher worked as mail carrier out of Monett for a number of years, after which he went into gardening and fruit growing on the place which he recently sold. Mr. and Mrs. Traugbher are excellent citizens and the people of Monett are sorry to lose them.

A new addition is being built to the main building at the U. S. Fish Hatchery. The room is to be occupied by a heating plant and two new toilet rooms, for the use of the public. This new equipment is modern and up to date and will prove very convenient and be appreciated by the hundreds of people who visit the Hatchery grounds. —Neosho Daily Democrat.

RECEPTION FOR MRS. PEEL

A short program was given consisting of a solo by Mrs. W. F. Landrum, piano solo by Miss Ruth Bradford, duet by Rev. and Mrs. L. C. Stumpf and duets by Miss Georgia West and Miss Margaret Chapell. Some excellent records on the phonograph were also enjoyed.

Yes, it's toasted

YOU know how much toasting improves bread. Makes it taste good. Of course—more flavor.

Same with tobacco—especially Kentucky Burley.

Buy yourself a package of Lucky Strike cigarettes. Notice the toasted flavor. Great! Nothing like it. The real Burley cigarette.
